FROM: Jack Ainsworth, Deputy Director
SUBJECT: **UCSB Long Range Development Plan Amendment 2-05** (Storke Field)
Time Extension for December 13-15, 2006, Commission Hearing in San Francisco.

On October 13, 2005, the University of California at Santa Barbara submitted an amendment to its certified Long Range Development Plan (LRDP). The amendment proposes to change the land use designation of an approximately two acre site from "Student Housing" to "Recreation" in order to accommodate a new recreation field on the Storke Campus. On September 29, 2006, after receipt of the additional items necessary for a complete amendment application, the Executive Director determined that the University's amendment submittal was in proper order and legally adequate to comply with the submittal requirements of Coastal Act Section 30510 (b).

Pursuant to Section 30513 of the Coastal Act, an amendment to the certified LRDP must be scheduled for a public hearing and the Commission must take action within 90 days of a complete submittal. The 90th day after filing the complete submittal is December 28, 2006. In order to be heard within this time frame, the amendment would have to be scheduled for the Commission's December 13-15, 2006 meeting.

Coastal Act Section 30517 and California Code of Regulations Section 13535 (c) state that the Commission may extend for good cause the 90-day time limit for a period not to exceed one year. Commission staff is requesting an extension to the 90-day time limit to act on the University of California, Santa Barbara LRDP Amendment No. 2-05 for a period not to exceed one year. Staff tentatively anticipates bringing this matter to the Commission's March or April hearing in 2007.

STAFF RECOMMENDATION

Staff recommends that the Commission vote to extend the deadline for Commission action for up to one year.

MOTION: *I move that the Commission extend the 90-day time limit to act on the University of California, Santa Barbara Amendment No. 2-05 for a period not to exceed one year.*

RECOMMENDATION: Staff recommends a **YES** vote. An affirmative vote of a majority of the Commission present is needed to pass the motion.
